

- This is a tentative schedule. Times may change, but every routine should stay on it's current day.
- Acts are not given a specific time, but instead a time block.
- This competition WILL run ahead of schedule, so please arrive extra early for Solo/Duo/Trios.
- Groups are in **red** with a time the dancers need to arrive with hair/make-up in the competition area. We request them early so we can warm-up, review the dance and change into costumes.
- During awards, only two guests per student are permitted in the venue.
- We are not purchasing any photos/videos at this competition. See the bottom of this document for information directly from Access Broadway.
- Contact Brandon at 586-354-5213 during the competition weekend if you need anything.
